My Dear Sponsor,

Loving regards to you from your sponsor child Christina Bhimanavar. I am fine over here. Hope all are keeping fine. I took part in various activities and cultural programs were held in the school.

Now I have completed my final examination and I have got good marks in all the subjects. I thank you for your kind help towards my education and I also thank you for the Christmas dress. Now I have completed 5th standard and I am going to 6th standard. I will promise you that I will study hard in the class.

On Good Friday we performed the Way of the Cross and we prayed to the Lord. We celebrated Easter in a grand way in the church and after the mass Easter eggs are distributed in the church. Every day I go to church for attend the Eucharist and I prayed for you all. Please do pray for me and my family members.

Thanking you,

Your loving Child,
Christina Bhimanavar.
